

SOLI DEO GLORIA

Words and Music by Dan Meredith

I praise Your holy name, O Lord.
You are my God and my King.
You do great and mighty deeds.
Oh, let the nations sing.
To You, o Lord, and not to man,
Belongs the glory and the praise.
You give Your perfect love to us.
We delight in all Your ways!

CHORUS

Soli Deo Gloria, to God alone be the glory.
Praise Your name, Hallelujah!
Soli Deo Gloria, Soli Deo Gloria.

May my life please You, oh Lord.
You are my God and my King.
May I bring honor to Your name
With every song I sing.
You are my righteousness, Oh Lord,
All goodness comes from You alone.
May your people shine for You,
And make Your ways well known.

CHORUS

CHORUS

Holy, Holy, Holy are You, Lord!
Worthy, Worthy, Worthy are You, Lord!

GOD IS FAITHFUL

Words and Music by Dan Meredith

CHORUS

God is faithful, God is true.
He will always see you through.
Let Him lift that heavy load,
He will take you down the road.
God is faithful, God is true
Let His light come shining through.
Seek His will in all you do,
God is faithful,
God is faithful, God is true.

He had a heart for God,
Though his brother's thought him odd,
When he told a dream or two,
They decided he was through.
Then he ended up in jail,
The will of God still prevailed.
Though they sold him as a slave,
His brothers he forgave.
He made sure they knew
God is Faithful,
God is Faithful, God is true!

CHORUS

She was twenty five,
It was a fight to stay alive.
Monday morn would come,
Another treatment to be done.
Yet, in the midst of all her pain,
She still praised Jesus' name.
She told everyone she met,
He hadn't failed her yet.
She made sure they knew
God is Faithful,
God is Faithful, God is true

CHORUS

So there you are today,
And you fear you've lost your way.
You're not sure where to turn,
Don't forget what you have learned.
God is with you, on your side,
You have no need to hide.
He won't let you on your own,
In your heart you've always known,
His Word is always true,
God is Faithful,
God is Faithful, God is true!

CHORUS

ENGRAVED

Words and Music by Dan Meredith

I see you, sitting there feeling like you alone,
On your own. No one knows your pain.
I know you. I know you think that I'm not around
I can't be found. I don't know your name.

CHORUS

I love you. I've loved you since the very dawn of time.
To make you mine, I bought you with My life.
I love you. You are on My mind constantly.
Look and see, I engraved you on My hands.

And I know, the scars you've hidden deep in your heart,
That tender part you bury deep inside.
But please know, that I have scars that I took for you,
To be with you, to have you by My side.

CHORUS

Please let me, let Me come into your life today.
And let Me say I've waited for so long.
I'll heal you. I'll heal those wounds that run deep within.
I'll take you in into My loving arms.

CHORUS

TEACH ME, O LORD

Words and Music by Dan Meredith

What stars do so easily,
Seems to be so hard for me.
I see the things that I should do
To shine a loving light for You.
And yet I fail so miserably,
To be the light I wish to be.
You taught the stars to shine for You,
I need You, Lord, to teach me, too.

CHORUS

You taught the stars to shine for You. Teach me, O Lord!
You taught the birds to sing for your praise. Teach me, O Lord!
You guide the planets in their paths,
You spoke to seas and made them calm,
Guide me and speak to me, O Lord!

The earth moves along her path,
Guided by Your mighty hand.
And yet I often feel afraid,
That I might step outside Your plan.
I need to trust like planets do,
That You will guide me safely, too.
You calmed the seas, please calm my heart,
I give my burdens all to You.

CHORUS

The heavens declare Your Glory
They bring You praise.
May the same be said of me
All of my days.

PSALM 86

Music by Dan Meredith

1 Bow down Your ear, O LORD, hear me;
For I am poor and needy.
2 Preserve my life, for You made me holy;
You are my God;
Save Your servant who trusts in You!
3 Be merciful to me, O Lord,
For I cry to You all day long.
4 Rejoice the soul of Your servant,
For to You, O Lord, I lift up my soul.
5 For You, Lord, are good, and ready to forgive,
Abundant in mercy to all those who call upon You.
6 Give ear, O LORD, to my prayer;
And attend to the voice of my supplications.
7 In the day of my trouble I will call upon You,
For You will answer me.
8 Among the gods there is none like You, O Lord;
Nor are there any works like Your works, O Lord.
9 All nations whom You have made

Shall come and worship before You, O Lord,
And all shall glorify Your name.
10 For You are great, You do wondrous things;
You alone are God.
11 Teach me Your way, O LORD;
I will walk in Your truth;
Unite my heart to fear Your name.
12 I will praise You, O Lord my God, with all my heart,
And I will glorify Your name forevermore.

O MAGNIFY THE LORD WITH ME

Psalm 34:1-3 – Music by Dan Meredith

1 I will bless the LORD at all times;
His praise shall continually be in my mouth.
2 My soul shall make its boast in the LORD;
The humble shall hear of it and be glad.
3 Oh, magnify the LORD with me,
And let us exalt His name together.

PAST IS PAST

Words and Music by Dan Meredith

Jerry was a guy
Who couldn't get it right.
From the time he was a kid
He took on every fight.
Trouble seemed to find him
Everywhere he'd go.
He wanted to start over,
But he didn't know...

CHORUS

What's past is past, what's done is done,
When you give your life to God's Holy Son.
Don't let it get you down
He'll turn your life around
He'll pardon all your sin
Are you ready to begin?
What's past is past, what's done is done,
It's covered by the blood of the Holy One.
Let Jesus pick you up,
He will fill your cup.
He'll pardon all your sin
Are you ready to begin?

Stephen was a man
Loaded down with guilt.
Not happy with his life
His heart began to wilt.
He knew he had it all
Two cars, a house, and a great job.

But he didn't know his kids
And that fact made him sob.

CHORUS

Kenny was a sinner
He knew that for sure.
He wanted God to love him
So he tried to become pure.
He knew couldn't get to God
In such a sinful state.
He tried to earn it on his own,
But that was his mistake.

CHORUS

Jerry finally figured out
That God makes all things clean.
And Stephen started over
With the kids he'd hardly seen.
Kenny learned that Jesus
Died for all his sin.
They all received from Jesus
A new chance to begin.

CHORUS

Perhaps you have been feeling
Lonely and afraid.
Trapped by your past
And the choices you have made.
Give your life to Jesus,
You can begin again.
He makes all things new,
When you make Him your friend.

MEGAN

Words and Music by Dan Meredith

Megan was her daddy's girl
She loved that man so much
She lived upon his caring words
And thrived upon his touch
Now he seemed so far from her
Busy serving the Lord
Why did she feel so empty?
Did daddy love her anymore?

CHORUS

Megan's pain runs deep
Too young to know why
And daddy can not see
He caused her heart to die

The work he did was all worthwhile
But daddy could not see
That Megan's light was dying
While he served so busily

She had been a good girl
But now something's changed
The loving little girl is gone
And bitterness remains

CHORUS

He doesn't like her boyfriend
But then neither does she
Still she needs a man to love her
For who she wants to be
How far will she have to go
To find her daddy's love?
Will she find it in the tiny life
Inside her from above?

CHORUS

Oh Daddy please come home
A stay a while with me
Tell me that I'm special
Set my spirit free
I'm falling fast I need you
Please come while there's still time
Only you can save me
Please put your hand in mine

CHORUS

RINGING IN MY EARS

Words and Music by Dan Meredith

There You were, on the cross,
The nails that held You driven to pay the cost
Of my sin, so that you,
Could hold me in Your Arms.
The air was still, the sound rang out.
It pierced the air as metal pierced Your feet and hands.
O, those loving hands.
I need to hear that ringing in my ears.

All alone, no one sees,
The sin that should have brought me to my knees,
How easily I can forget
The price You paid to love me.

The air was still, the sound rang out.
It pierced the air as metal pierced Your feet and hands.
When temptation comes,
I need to hear that ringing in my ears.

Careless words, hateful tone, my arrogance and pride,
They should be gone. Perhaps they'd be if I heard
The pounding of those nails.

The air was still, the sound rang out.
It pierced the air as metal pierced Your feet and hands.
O, those healing hands.

I need to hear that ringing in my ears.

The air was still, the sound rang out.
It pierced the air as metal pierced Your feet and hands.
When temptation comes,
I need to hear that ringing in my ears.

WORTHY

Words and Music by Dan Meredith

Worthy, You alone are worthy
To receive glory, honor and praise. (2X's)

Worthy is the Lord,
Creator God and King,
To receive glory, honor and praise.
We will glorify the Lord,
Creator God and King,
We bring glory and honor
To Your holy name.

Worthy, You alone are worthy
To receive glory, honor and praise. (2X's)

Worthy is the Lamb,
The Lamb that was slain,
To receive glory, honor and praise.
We will glorify the Lamb,
The Lamb that was slain,
We bring glory and honor
To His holy name.

HIDE MYSELF IN YOU

Words and Music by Dan Meredith

All alone in the garden,
They tried to hide what they knew was wrong.
But to hide their sinfulness,
Meant that they had to hide from You.
Now they see the effect of sin,
It takes us, Lord, from You.

I can try to hide my sin,
Or I can hide myself in You.
Hidden sin brings misery,
But you make all things new.
I confess, Lord please cleanse my sin.
I hide myself to You.

At times when I fall back into sin.
My pride wants me to hide what I've done.
But when I do, I'm far from You.
And my strength just fades away,
Blessed is he who confesses to You,
He is blessed indeed.

I can try to hide my sin,
Or I can hide myself in You.

Hidden sin brings misery,
But you make all things new.
I confess, Lord please cleanse my sin.
I hide myself to You.

EMPTY NEST

Words and Music by Dan Meredith

We've been blessed beyond compare,
To have this life with kids to share.
And now the time has swiftly come,
To start again, two as one.

Empty nest, Full Heart
Our love grows, fills every part.
Seasons change, Time moves on
But our love is never gone.
Empty nest, Full Heart

The kids may move away
But I'll never depart.
I love you even more today
Than I did back at the start.

Empty nest, Full Heart
Our love grows, fills every part.
Seasons change, Time moves on
But our love is never gone.
Empty nest, Full Heart
