

## GLORY TO JESUS

Words and Music by Dan Meredith

### CHORUS

Glory to Jesus, My God and King  
Your praises I will sing.  
Glory to Jesus, My God and King,  
Creator of everything.  
You are the Prince of Peace,  
And the Holy One.

You are the Truth, the Life.  
You raised me from the dead,  
And You filled me with Your love.  
And I'll praise You all my Life.  
Glory to Jesus, My God and King  
Your praises I will sing.  
Glory to Jesus, My God and King,  
Creator of everything.

### VERSE

I was lost and all alone.  
I was dying in my sin.  
I heard You calling to my heart,  
But I would not let you in.  
In spite of my lies, and my angry cries,  
Still You gave Your love to me.  
So, though I'm weak,  
You know it's You I seek,  
Because Your love is free.

### CHORUS

### VERSE

Even though I'm born again,  
Sometimes I let You down.  
I act unworthy of Your name,  
As though You were not around.  
But, when I fail, fall from Your trail,  
Still you give Your love to me.  
So, though I'm weak,  
You know it's You I seek,  
Because Your love is free.

## MIRROR

Words and Music by Dan Meredith

### VERSE

When I look in a mirror  
I see what others see,  
Brown hair and glasses  
But is that really me?  
The image of God,  
Is that what I am?  
Do they see Him in me?  
I pray that they can.

### CHORUS

God make me a Mirror,  
A Mirror of glory,  
An image that's holy.  
Lord make me a Mirror  
So I may always be  
A true reflection of You in me.

### VERSE

They can't tell just by looking,  
So I must somehow show,  
That in my heart You're dwelling,  
Only then will they know.  
So, I reach out and touch them.  
I laugh and hug, I Smile and cry.  
They still may never see You, Lord,  
But, I know I must try.

## JESUS IS KING OF KINGS

Words and Music by Dan Meredith

### VERSE

I love to come together with the people of the Lord,  
'Cause I've got some songs to sing.  
With everybody there, there's so much to share,  
To the praise and glory of our King.  
So, put your hands together, or raise them in the air.  
Let go of your heart and you'll meet Him there.  
Come on, let's go, let's lift our hearts together,  
And show Him how much we care.

### CHORUS

Jesus is King of Kings.  
My Lord is Lord of all.  
Jesus is King of Kings.  
He's comin' back to show us all.  
Hallelujah! Jesus is comin' back.  
Praise the King! He is Lord of all.  
Hallelujah! Jesus is comin' back.  
Praise the King! He is Lord of all.

### VERSE

So, here we are together in the presence of the Lord,  
And we've got some songs to sing.  
With everybody there, there's so much to share,  
To the praise and glory of our King.  
So, put your hands together, or raise them in the air.  
Let go of your heart and you'll meet Him there.  
Come on, let's go, let's lift our hearts together,  
And show Him how much we care.

## THANK-YOU, MY FRIEND

Words and Music by Dan Meredith

### CHORUS

Thank-you, my friend,  
For the things you've done for me,  
Your love and loyalty,  
And all that you've taught me to be.  
You pick me up when I'm done.  
You make me laugh and smile.  
Helpin' out, pitchin' in.  
Always goin' an extra mile.  
Your kindness to me  
Is more than I could ever repay.  
So, I ask the Lord  
To repay you in a special way, My Friend.

VERSE

Tennis, Bike rides,  
Arcade games on Saturdays.  
As we grew, Our friendship did, too,  
Through all the times we shared.  
Late night car ride,  
You told me Jesus is the Way.  
Because of you I now love Him, too.  
Thanks for showing me He cares.

### CHORUS

### VERSE

Late night phone call.  
I need your help, I'm stuck again.  
Stood there in the rain, yet you never complained.  
How I wish I was more like you.  
Time flies. No phone calls.  
We'll get together. Who knows where or when?  
I say this prayer for you...

Thank-you, my Lord,  
For this friend You've given me.  
His love and loyalty,  
And all that He's taught me to be.  
He picks me up when I'm down.  
He makes me laugh and smile.  
Helping out, pitching in,  
Always going the extra mile.

His kindness to me

Is more than I can ever repay.

So, I ask You, Lord,

To repay him in a special way. Amen.

## YOUR SAVIOR

Words and Music by Dan Meredith

### VERSE

You say Jesus is your savior.  
He's your Lord if that is true.  
Your Lord, then He's your life,  
And that will show by what you do.  
If what I say is true,  
You better test your goals.  
Cars and homes and money  
Will never save your soul.

### CHORUS

He wants to be your Savior,  
But, He must be your Lord, Too.  
Give your life to Him,  
And He'll bless everything you do.  
His yoke is always easy.  
His burden is always light.  
Praise His Holy name,  
And He'll fill you with delight.

### VERSE

Well, the road to life is narrow,  
And the road to death is wide.  
The road that you are traveling  
Only you decide.  
You've already made your choice.  
You still can change your mind.  
I'm warning you to hurry now.  
You're running out of time.

### CHORUS

### BRIDGE

Satan tells you not to listen  
To the story that I tell.  
Truly now, I say to you  
He will only lead you straight to Hell!

## THE BATTLE RAGES ON

Words and Music by Dan Meredith

### VERSE

Several years have passed  
Since I first walked with You.  
I've followed in Your path,  
Tried to do what You want me to.  
Still, O Lord, sometimes I'm so afraid  
I'll fall away from You.  
My heart pulls hard against Your reign  
And all You say is true.  
The Battle Rages On.  
CHORUS  
The Battle Rages On.  
My strength is almost gone.  
I'm running home to You.  
I put my faith in You.  
The war is in my heart.  
It's tearin' me apart.  
Lord, I'm trustin' You.  
Your Word is true.

### VERSE

When the battle is within,  
I have no place to hide.  
I struggle hard with sin.  
I know Your on my side.  
Still, O Lord, sometimes I'm so afraid

I'll fall away from You.  
Then I remember the promises You made,  
And I give my life to You  
When the Battle Rages On.

#### CHORUS

VERSE  
The victory is mine  
When in You I put my trust.  
I win every time,  
But, lean on You I must.  
And, O Lord, Those times when I'm afraid,  
Well, I know you're gonna carry me.  
And, You will keep the promises You made.  
You'll bring the victory  
When the Battle Rages On.

So, let the battle rage,  
We'll add another page  
To the victory list You made.  
I put my trust in You.  
The Battle Rages On.  
My strength is almost gone.  
I come runnin' home to You.  
I put my trust in You.  
Your Word is true.

## THE EVERLASTING GOD

Words Adapted from Isaiah 40 & 41  
Music by Dan Meredith

VERSE  
My Child, why do you say,  
"My way is hidden from the Lord,  
My just claim is passed over by my God?"  
Have you not known?  
Have you not heard?  
CHORUS  
The Everlasting God, the Lord  
The Creator of the ends of the earth,  
Never faints, nor is weary.  
There's no searching of His understanding.  
VERSE  
You are My servant. I have chosen you.  
I've not rejected you.  
Fear not, for I, your God, am with you.  
I will uphold you  
With my righteous right hand.

#### CHORUS

BRIDGE  
He gives power to the weak,  
He gives strength to those without might.  
Even the young shall faint and be weary.  
Young men will utterly fall.  
But those who wait for the Lord, their God,  
They shall gain a new strength.  
They shall run and not be weary,  
They shall walk and not faint.  
They shall fly like eagles.  
Watch them soar!

## ADAM'S SONG

Words and music by Dan Meredith

VERSE  
Adam, my son, when you were born,  
It seemed there was a wall  
That kept us from the bond of love  
Between a father and a son.  
But, the wall time has worn.  
Now, it's not there at all.  
Our bond is sealed by his dove.  
Father and son are now as one.  
CHORUS  
I praise my Lord for Adam,  
The gift of life in you.  
I praise my King for Adam.  
Trust Him in all you do.  
When you were born sin made a wall  
Between you and the Father.  
Time can't bring down the wall.  
For help you must look farther,  
To the Son, the begotten One.  
Jesus will take you to the Father.

VERSE  
I watch you sleeping through the door,  
My heart just swells with joy.  
It wouldn't matter if you had done wrong  
When I see you resting in my home.  
Likewise, the Father can't love you more  
Than when you rest in His arms, my boy.  
Your sin forgiven, make Him your song,  
You'll always have a home.

#### CHORUS 2

I praise my Lord for Adam,  
The gift of life in you.  
I praise my King for Adam.  
Trust Him in all you do.  
Find rest, peace and love,  
Rest in the arms of your Father.  
For love, joy, and forgiveness,  
You need to look no farther  
Than the Son, the begotten One.  
Jesus will take you to the Father.

## ANDREA'S SONG

Words and music by Dan Meredith

Sleep well, my darling Daddy's little angel.  
Rest well, my dear, At the end of the day.  
Sleep well, my darling Daddy's little angel.  
Jesus guide and keep you On the narrow way.  
Lord, unto You, I give my little girl.  
Guide her and keep her, Love's precious pearl.  
Sleep well, my darling Daddy's little angel.  
Rest well, my dear, At the end of the day.  
Sleep well, my darling Daddy's little angel.  
Jesus guide and keep you On the narrow way.  
Jesus guide and keep you, Little Andrea

## WAKE UP

Words and Music by Dan Meredith

CHORUS  
Wake up! Wake Up!  
You are a chosen generation.  
Wake up! Wake up!  
Reach out to the dying nations.  
Don't let the devil knock you down,  
For you're standin' on holy ground.  
Seek God's heart, and stay near it,  
Livin' in the power of the Holy Spirit.  
Wake up! Wake up!  
The world is at your door.  
Wake up! Wake up!  
His love through you pour.  
VERSE  
The devil is alive and well!  
Our land is caught under his spell.

He wants your soul. He plays for keeps.  
When will you wake up from your sleep.  
Arise, o church, from your lethargy!  
Holy Spirit, give us energy!

#### CHORUS

VERSE  
He takes his prisoners into the night.  
We give them up with little fight.  
He kills our children, thousands a day.  
But, "That's his right!", or so some say!  
He wins the battles, but not the war.  
When will you wake up, don't take any more!

#### CHORUS

VERSE  
Jesus is alive and well.  
Let's get caught under his "spell"  
He wants your soul, He plays for keeps.  
It's time to wake up from your sleep.  
Arise, o church, from your lethargy!  
Holy Spirit, give us energy!

## NO ROOM

Words and Music by Dan Meredith

VERSE  
Long ago God Came to earth.  
There was no room for his birth.  
The inns were filled to over-flow.  
The presence of the King they would not know.  
Concerns of this world, the census, and all,  
Caused them to miss the Lord's call.  
CHORUS  
There was no room for the Holy One,  
No time or space for God's Son.  
So, the rich and the mighty were not there.  
Only the humble and wise did share  
The love of Jesus.

#### VERSE

As He grew into a man,  
The leaders could not understand.  
How did a boy know so much,  
Or a man heal the sick with just one touch?  
Their hearts were full of a bitter pride.  
They had no room for Him inside.

#### CHORUS 2

There was no room for the Holy One,  
No time or space for God's Son.  
So, the religious and learned did not care.  
Only the humble and wise did share  
The love of Jesus.

#### VERSE

Two thousand years come and gone,  
Lonely hearts still wonder on.  
They have no room. There's too much pride.  
Too many worries fill their minds.  
Won't you just make room and let Him in?  
He'll lift your burdens and He'll wash your sin.  
CHORUS 3  
Have you no room in your heart for Him,  
No time or space to let Him enter in?  
Can you honestly say that you don't care?  
Won't you make room for the Holy One,  
Give time or space to God's Son?  
He'll lift your burdens and show you how much  
He cares.  
Just be like the humble and wise share  
The love of Jesus.

## **I LOVE YOU, KAY**

Words and Music by Dan Meredith

### **VERSE**

I need you, my love,  
For the strength that you give,  
The love that you share,  
The life that you live.  
And so, my love,  
In the strength that we've found,  
We've become one,  
Our chains are unbound.

### **CHORUS**

I need you, Kay,  
To walk with me,  
And hold my hand along the way.  
I love you, Kay,  
I'll be by your side,  
And care for you each day.  
I love you.

### **VERSE**

Thank-you, my love,  
For your example of Christ,  
The way that you serve,  
You sacrifice.  
And so, my love,  
I give back to you  
This love that He gives me  
To give to you.
