

Dear Friend,

Thank you for choosing to add this CD to your music collection. It is our prayer that the Lord will use this music to draw you to a closer relationship with Him. He truly is "knocking at your door." If you have not yet answered "Yes!" to His call, we encourage you to do so right now. If you need assistance to get started on your journey with Jesus, we encourage you to seek the help of a Bible believing pastor in your area. If you are not sure where to turn, please contact us at the address below. We would consider it an honor to help you on your journey in any way that we can. If the Lord has used this music to draw you closer to Him in some way, we'd love to hear about it! Please drop us a note and let us rejoice with you in what the Lord has done. May the Lord our God and our Salvation bless you and keep you...

Yours in Him,  
Dan and Kay
